MUSIC THEORY GUIDE

Each of the arrangements in this book is made up of both treble and bass clef, chord names and lyrics. The scores have been written to correspond with songs in the Green Large Print Song Book.

In order to confine the scores to no more than two pages, repeats and navigation marks have been used. Repeat signs are colour coded using red, green, purple and orange.

Basic Navigation Explanation:

Repeat signs = go back to corresponding repeat sign. (Use 2nd time bar after repeat, occasionally there is a 3rd time bar).

Example:

Where there are multiple repeat signs, matching colours are displayed.

D.S. = go back to sign (Dal Segno)  (*Dal Segno translates to English - 'from sign'*)

D.S. al Fine = go back to sign (Dal Segno)  then play to ***Fine***

D.S. al Coda = go back to sign (Dal Segno)  then play to **To Coda** sign then skip to the Coda  section.

D.C. al Coda = go back to beginning, then play to **To Coda** sign then skip to the Coda  section.

D.C. al Fine = go back to beginning then play to ***Fine***

 = Dal Segno sign

 = Coda symbol

A crotchet with a line through the stem  = play as two quavers.

Where no intro has been included, usually using the last four bars of the song works well. (be creative!)

Two pages at the back of the book illustrate the chords as applied to the piano keyboard (pages 409 and 410).

For more information about this manuscript book, refer to notes 'FROM THE PUBLISHER' on page 411.
